Sermon Notes

SERMON DISCUSSION

1. If a relationship cannot grow without communication, what does that imply about our relationship with God?
 - a. What habits or distractions tend to get in the way of that communication?
2. When you read Scripture, how do you prepare your heart to *encounter God* rather than just gain information?
 - a. What practices or rhythms help us move from “checking a box” to actually meeting with God in His Word?
3. Can you think of an example (personal or general) where culture's view conflicted with Scripture?
 - a. What does faithful submission to Scripture look like in that tension?
