2030 Vision

We are a church growing in the grace of the gospel, discipling others across every age and stage of life. We want to be known for humble orthodoxy, evangelical partnerships, prophetic witness, and gospel-centered focus. We hold fast to Scripture, which is faithfully taught and rigorously studied within our community. We do not shy away from theological depth and are a safe place for skeptics and seekers to ask questions. We are well-known not just for theological convictions but for seeking mercy and justice, and are advocates for the broken, marginalized, and oppressed. We value community that portrays how the gospel impacts relationships. Our church makes spiritual and relational commitments to each other that are taken seriously. As community, we pray corporately, in small groups, as families and individuals, expressing our dependence and need for God. We are passionate about equipping and sending disciples into homes, the workplace, schools, and the nations. We purposefully equip future leaders and missionaries for service domestically and globally. We are a place where wounded church leaders can safely come and be made whole again. In our generosity, we provide resources locally and globally for the cause of Christ. Our legacy is about the kingdom of God in Bozeman and beyond for generations to come.

Sermon Discussion Questions

Broken Systems Amongst Individual Sinners
Romans 16:16-23

1. Why is it so hard to talk about racial issues?
Why do you think there is a divide amongst Christians on how to address these issues?
2. What is racism? Get really specific. Give examples.
3. What are some ways you see racism today?
4. If you see someone in our church be marginalized, slandered, or oppressed because of their race, do you have any responsibility to do anything about it? If so, what?
5. The Bible speaks of individual sin (Romans 3:9-23) but also that we live in an evil age/world (Galatians 1:4; 2 Cor 4:4; 1 John 2:15). How do individual sins spill out into sinful structures that disadvantage people?
6. Can a person repent of sins they did not commit? (Go read Exodus 20:5-6, Exodus 34:6-7, Numbers 14:18-20, Ezra 9:6-15, Nehemiah 1:4-7, and Daniel 9:1-19)
 - a. Note which passages speak of sin, not just past but present.
 - b. Look up Ezekiel 18:14-20. Here it seems to be the opposite of the passages above. How would you explain the difference?
7. If someone is not guilty of past generations' sins, how should we respond to structures that advantage some and disadvantage others? See Lev 19:15; Deuteronomy 16:19; Prov 14:31; Psalm 41:1.
8. If someone benefits from an unjust system, have they sinned, and if so, what do they need to repent of? If they have not sinned, what responsibility do they have toward their neighbor?
9. How can a church advocate for people who are not being treated equally (Leviticus 19:15; Proverbs 31:8-9)?
10. How does the gospel affirm our racial differences but also create an entire new group of people (Galatians 3:27-28)?
