2030 Vision

We are a church growing in the grace of the gospel, discipling others across every age and stage of life. We want to be known for humble orthodoxy, evangelical partnerships, prophetic witness, and gospel-centered focus. We hold fast to Scripture, which is faithfully taught and rigorously studied within our community. We do not shy away from theological depth and are a safe place for skeptics and seekers to ask questions. We are well-known not just for theological convictions but for seeking mercy and justice, and are advocates for the broken, marginalized, and oppressed. We value community that portrays how the gospel impacts relationships. Our church makes spiritual and relational commitments to each other that are taken seriously. As community, we pray corporately, in small groups, as families and individuals, expressing our dependence and need for God. We are passionate about equipping and sending disciples into homes, the workplace, schools, and the nations. We purposefully equip future leaders and missionaries for service domestically and globally. We are a place where wounded church leaders can safely come and be made whole again. In our generosity, we provide resources locally and globally for the cause of Christ. Our legacy is about the kingdom of God in Bozeman and beyond for generations to come.

To all who are weary and need rest, to all who mourn and long for comfort, to all who feel worthless and wonder if God cares, to all who fail and desire strength, to all who sin and need a Savior.

Welcome!

to Redeemer Church

Sermon Discussion Questions

Autism, OCD, ADHD, & God
John 9:1-3

1. What does it mean for someone to be made in the image of God? Read Genesis 1:24-31. List the ways humans are unique from the rest of creation.
2. Consider the ways Jesus is the “image of God” and what that means for us to be created in the image of God (2 Corinthians 4:3-5; Colossians 1:15-17; Hebrews 1:3).
3. Does what someone is able to do make them more or less human? Is a baby less human than an adult? Is a person with severe disability less human? Is a senior with declining cognitive skills less human? If being human isn’t defined by ability, then how do we define it?
4. If you are someone with diagnosed neurodiversity, do you feel God made a mistake? Have you felt unclean? Have you blamed yourself? Read John 9:3. How might the works of God be displayed in you?
5. When a child or adult acts in a way that is within their mental capabilities, but is different than “the norm”, how have you reacted? Mock? Slander? Blame? Accept? etc.
6. If you are a neurodiverse person, what is it like living in a world where you are different from everyone around you?
7. In John 9:1, Jesus “saw” the blind man? Why is it easy to pass by people of disability/difference? How can we “see” people as Jesus saw them?
8. Why did the religious leaders ask, “Rabbi, who sinned, this man or his parents?” Why do we assume difference is a result of wrongdoing?
9. Read James 3:9-10. How are people who are autistic/OCD/ADHD demeaned in our culture? Discuss - Cursing another human is cursing the God who made them.
10. When you see a child that seems out of control, what comes to your mind when you look over at the parents? Are you quick to fix their parenting? Do you feel compassion?
11. What are practical ways our church could “see” people of difference? What accommodations should our church make for individuals and families?
