# Sermon Discussion Questions

What is a Person?

*Psalm 139*

---

1. Talk about the three big questions of abortion from the sermon:
  - a. What are some contemporary ways people often speak of the unborn? When does life begin? Is an infant in the womb a human made in the image of God? (Psalm 139, Psalm 51:5; Is 49:1). Read Exodus 21:22-25 and how the Law dealt with the unborn.
  - b. Why does every human life have intrinsic value? (Genesis 1:27; Jeremiah 1:5, Isaiah 44:24)
  - c. What's our duty in all of this?
2. What are some ways the church can take action to advocate for life? How does this go beyond being only 'anti-abortion' but truly pro-life?
3. The topic of abortion is often a very personal one. Some in our church were almost aborted. Others have had abortions. How do we navigate this with one another? How can we have helpful conversations?
4. Is Redeemer a community where women can come in order to find help without feeling condemnation or shame? If not, how can you help your church get there?
