2030 Vision

We are a church growing in the grace of the gospel, discipling others across every age and stage of life. We want to be known for humble orthodoxy, evangelical partnerships, prophetic witness, and gospel-centered focus. We hold fast to Scripture, which is faithfully taught and rigorously studied within our community. We do not shy away from theological depth and are a safe place for skeptics and seekers to ask questions. We are well-known not just for theological convictions but for seeking mercy and justice, and are advocates for the broken, marginalized, and oppressed. We value community that portrays how the gospel impacts relationships. Our church makes spiritual and relational commitments to each other that are taken seriously. As community, we pray corporately, in small groups, as families and individuals, expressing our dependence and need for God. We are passionate about equipping and sending disciples into homes, the workplace, schools, and the nations. We purposefully equip future leaders and missionaries for service domestically and globally. We are a place where wounded church leaders can safely come and be made whole again. In our generosity, we provide resources locally and globally for the cause of Christ. Our legacy is about the kingdom of God in Bozeman and beyond for generations to come.

To all who are weary and need rest, to all who mourn and long for comfort, to all who feel worthless and wonder if God cares, to all who fail and desire strength, to all who sin and need a Savior.

Sermon Discussion Questions

How God Uses Discipleship
Acts 18:18-28

- 1) Who are some people in your life that you could help grow in their faith?
- 2) What should be the focus of our discipleship? How do we keep our focus?
- 3) What do you think the impact of both formal or informal discipleship will have in helping people grow in the Lord?
- 4) As you think of the next generation of disciples, what do you hope to leave them with?
- 5) Paul traveled a lot, most of us don't. In what ways do you think discipleship looks the same as Paul's? In what ways might it look different?
- 6) Priscilla and Aquila saw God at work in Apollos, but there were ways Apollos was wrong. They were discreet in how they corrected him. What can we learn from how they interacted with Apollos?
- 7) What can we learn about how God develops his church from the stories of Paul, Priscilla, Aquila, and Apollos?
