Sermon Discussion

- Before the sermon, how familiar were you with the passage? Did you change your mind about anything?
- How were you personally challenged or encouraged?
- How might we apply the passage and teaching to our own lives?

As a group, read and reflect on Psalm 73.

- How does the Psalmist define 'good'.
- How does his initial definition lead to frustration?
- How does he come to resolution and what does that resolution look like?
