## 2030 Vision

We are a church growing in the grace of the gospel, discipling others across every age and stage of life. We want to be known for humble orthodoxy, evangelical partnerships, prophetic witness, and gospel-centered focus. We hold fast to Scripture, which is faithfully taught and rigorously studied within our community. We do not shy away from theological depth and are a safe place for skeptics and seekers to ask questions. We are well-known not just for theological convictions but for seeking mercy and justice, and are advocates for the broken, marginalized, and oppressed. We value community that portrays how the gospel impacts relationships. Our church makes spiritual and relational commitments to each other that are taken seriously. As community, we pray corporately, in small groups, as families and individuals, expressing our dependence and need for God. We are passionate about equipping and sending disciples into homes, the workplace, schools, and the nations. We purposefully equip future leaders and missionaries for service domestically and globally. We are a place where wounded church leaders can safely come and be made whole again. In our generosity, we provide resources locally and globally for the cause of Christ. Our legacy is about the kingdom of God in Bozeman and beyond for generations to come.

## Sermon Discussion Questions

The Gospel Goes Public

Acts 19:1-20

1. What is Paul's primary method for ministry in Ephesus? Compare this to what he did in Corinth and Athens.
2. How is being baptized in Jesus' name different from John's baptism? (See Matthew 3:1-6/Acts 2:38)
3. When do believers receive the Holy Spirit in their lives (See Ephesians 1:13-14)
4. In Ephesus, there are Christians (v1) who have not been baptized or received the Spirit. What is going on here? Should what is explained here (v1-6) be standard for all Christians?
5. Verse 13-16 recount an encounter with a demon. Have you ever encountered one directly? How can Christians recognize genuine cases of demonic activity? (See Matthew 7:15-20)
6. Some unbelievers try to invoke Jesus' name to cast out demons and it goes hilariously bad for them (v15). Why did using Jesus not lead to the casting out of the demons? Are there ways you treat Jesus as a detached power to be invoked?
7. What authority do believers have over evil spirits, according to the Bible? (See Luke 10:17-20)
8. In Ephesus there is a mini revival. Discuss the marks of a real conversion (v17-20). How have you seen that in your own life?
9. Are there any sins you would be ashamed to openly confess? Why?

One of our priorities is *Sharing of Resources*. We share our possessions and property with each other, the community, and other ministries. We practice holistic generosity through work, hospitality, our time, and our wealth.

On May, 7, we are partnering with Love INC, which has identified individuals and families in need of help with things like cleaning/organizing homes, yard work/outside clean-up, painting, car detailing, furniture moving, personal care drive, home repair, and more.

Sign up using the QR code. People with special skills will be assigned accordingly. Youth are invited to help out as well!
