2030 VISION

We are a church growing in the grace of the gospel, discipling others across every age and stage of life. We want to be known for humble orthodoxy, evangelical partnerships, prophetic witness, and gospel-centered focus. We hold fast to Scripture, which is faithfully taught and rigorously studied within our community. We do not shy away from theological depth and are a safe place for skeptics and seekers to ask questions. We are well-known not just for theological convictions but for seeking mercy and justice, and are advocates for the broken, marginalized, and oppressed. We value community that portrays how the gospel impacts relationships. Our church makes spiritual and relational commitments to each other that are taken seriously. As community, we pray corporately, in small groups, as families and individuals, expressing our dependence and need for God. We are passionate about equipping and sending disciples into homes, the workplace, schools, and the nations. We purposefully equip future leaders and missionaries for service domestically and globally. We are a place where wounded church leaders can safely come and be made whole again. In our generosity, we provide resources locally and globally for the cause of Christ. Our legacy is about the kingdom of God in Bozeman and beyond for generations to come.

SERMON DISCUSSION QUESTIONS

False Faith - Acts 8:9-24

1. Have you ever received praise and accolades that you knew you did not deserve? How did you handle it?
 2. Read Acts 8:9-11. Note the praises Simon received from the Samaritan people. Do think he did more trickery/slide of hand kind of sorcery, or do you think he was given real power from evil spirits. Why?
 3. Read Acts 8:12-13. Simon believed Philip's message, was baptized, and followed Philip's ministry. What more would you expect of a new convert? What might you expect from the circumstances and background of Simon?
 4. V. 16 says that the Holy Spirit had not yet come on any of them. Why is this an anomaly? See 1 Corinthians 12:13, Romans 8:9, and Ephesians 1:13-14.
 5. Why did Peter and John need to come to Samaria before the Holy Spirit would come and dwell in new believers?
 6. Read verses 18-19. What is wrong with Simon's request? I thought there was no such thing as a stupid question!
 7. Read verses 20-23. Why do you suppose Peter was being so hard on Simon?
 8. Read v. 24. Analyze Simon's response. What is lacking?
 9. What can you learn from this story and apply to your own life?
