Sermon Discussion

- Before the sermon, how familiar were you with the passage? Did you change your mind about anything?
- How were you personally challenged or encouraged?
- How might we apply the passage and teaching to our own lives?

Further Study & Discussion

1. What is an ideal church? Who would be welcome there? Who would not be there?
2. What is the difference between a group of Christians together and a “church”? What makes you part of a church?
3. Most of us don't enjoy the truth about ourselves because of how deeply insecure we are that people might actually find out what we are really like. What is it like to be known and still accepted?
4. In isolation, you not only hurt yourself, but you hurt others. We are incomplete without others. Paul argues that every part of the body is necessary. A church that prizes people that are all the same misses out on the full expression of the body of Christ. Share how God has gifted you for the sake of the church.
5. What steps can you take this week to actively engage with and support other members of your church?
