2030 Vision

We are a church growing in the grace of the gospel, discipling others across every age and stage of life. We want to be known for humble orthodoxy, evangelical partnerships, prophetic witness, and gospel-centered focus. We hold fast to Scripture, which is faithfully taught and rigorously studied within our community. We do not shy away from theological depth and are a safe place for skeptics and seekers to ask questions. We are well-known not just for theological convictions but for seeking mercy and justice, and are advocates for the broken, marginalized, and oppressed. We value community that portrays how the gospel impacts relationships. Our church makes spiritual and relational commitments to each other that are taken seriously. As community, we pray corporately, in small groups, as families and individuals, expressing our dependence and need for God. We are passionate about equipping and sending disciples into homes, the workplace, schools, and the nations. We purposefully equip future leaders and missionaries for service domestically and globally. We are a place where wounded church leaders can safely come and be made whole again. In our generosity, we provide resources locally and globally for the cause of Christ. Our legacy is about the kingdom of God in Bozeman and beyond for generations to come.

Sermon Discussion Questions

The Story of the Bible
Luke 24:17-32

1. Can you summarize the story of the Bible in a few sentences?
2. How does Jesus guide the disciples from doubt to faith within this passage? How can we apply this in our moments of doubt?
3. The disciples did not recognize Jesus until the breaking of the bread (v.30-31). What role did the Scriptures play in their eventual recognition of Him?
4. Jesus rebukes the disciples for their unbelief and lack of understanding despite having access to the Scriptures. How should modern-day disciples approach the Old Testament in light of the revelation of Jesus Christ? (See 1 Peter 1:10-12)
5. In verse 27, it says that “beginning with Moses and all the Prophets, he explained to them what was said in all the Scriptures concerning himself.” What significance is there in Jesus starting with “Moses and all the Prophets”? Can you cite examples of Messianic prophecies from the Law (Moses) and the Prophets that Jesus fulfilled?
6. Verse 32 described the emotional reaction of having Scripture made clear to them. Have you ever had the type of experience in verse 32? What led to it? Why did you have it?
