2030 Vision

We are a church growing in the grace of the gospel, discipling others across every age and stage of life. We want to be known for humble orthodoxy, evangelical partnerships, prophetic witness, and gospel-centered focus. We hold fast to Scripture, which is faithfully taught and rigorously studied within our community. We do not shy away from theological depth and are a safe place for skeptics and seekers to ask questions. We are well-known not just for theological convictions but for seeking mercy and justice, and are advocates for the broken, marginalized, and oppressed. We value community that portrays how the gospel impacts relationships. Our church makes spiritual and relational commitments to each other that are taken seriously. As community, we pray corporately, in small groups, as families and individuals, expressing our dependence and need for God. We are passionate about equipping and sending disciples into homes, the workplace, schools, and the nations. We purposefully equip future leaders and missionaries for service domestically and globally. We are a place where wounded church leaders can safely come and be made whole again. In our generosity, we provide resources locally and globally for the cause of Christ. Our legacy is about the kingdom of God in Bozeman and beyond for generations to come.

To all who are weary and need rest, to all who mourn and long for comfort, to all who feel worthless and wonder if God cares, to all who fail and desire strength, to all who sin and need a Savior.
